“ To Renee's family: even though we lost touch thru the years, there
has always been a soft spot in my heart for the 'Queen' kids. I loved
having Renee in my SS class, babysitting on the weekends, and
having her at the house with my sisters. Even as a child she had a
precious spirit. I am sorry I didn't get to reconnect as adults. I'm sure
she just got better with age! May her King bring you peace and
comfort, you are all in my prayers! (Renee is probably trying to get
Bro Wilt, my Dad, to show her how to do the finger
trick!)##imported-begin##Patricia Wikt Nelson##imported-end##
