“ *I am still in complete and utter shock from hearing about Kari's passing. I have worked with her for almost 20 years and in all honesty, she was one of the most carefree, funny gals. Always willing to help & go above and beyond. I would purposely pick up the phone and call her just to hear her voice. My heart breaks for her family, especially her children. She will be sorely missed! WHAT A CLASSY LADY! Prayers to the family during this very difficult time. Cherish the memories and hold them close to your heart.*

“ I am very saddened by the news of Kari's passing. It cam as such a shock to us all. Kari and I worked very closely at Norcomp within the same department. She will be deeply missed and leaves a void to our Department of Inside Sales. She has been a great asset to Norcomp over the years. I wanted to send my deepest condolences to her two children, Chase and Anna Grace she so adored and spoke of daily. Also to Kristi, Trey, her Dad and the rest of the family. I also feel for Brad as well for the loss of his precious fiance. She was looking forward to making plans for a Wedding. My thoughts and prayers are with each one of you during this time, praying for comfort and peace.

“ Kari was a cherished industry colleague. I retired from EDAC Canada last year the parent company of Norcomp. I had the opportunity to meet Kari at an annual trade show we did for many years! Just a delightful person always smiling and so kind to others! From a Facebook link I could see many wonderful postings with her two children so also a terrific mother! My deepest condolences to all her family and my thoughts are with all of you.
