My heart is broken with yours as you had to let go of your daughter

“ When I went to the first parent meeting at St. Michael to organize our fundraiser, I met Katie and liked her instantly. She was so full of energy and ideas! It is a tremendous regret that I never had the time to know her better. In her brief tenure at St. Michaels, she brought so much enthusiasm! She was a beautiful young lady and I know she will be missed beyond imagination. To her family- I am so very sorry and will pray for you daily that the the void left will be filled with God's peace and promises to be with her again in Heaven.
