“ I must say I was shocked yesterday when I saw that Kathy had passed. Even though we had lost contact with each other I loved her dearly. We had a lot of good times together. When she would talk about her son, Jason, she would just light up. I can remember the first time she brought her precious Madison to work at the VA. She was on cloud nine and so happy. She may be gone from this earth but she will not be forgotten. Kathy was one of those people that if you were fortunate enough to really know, you never forgot her. I will love you forever and miss you dearly. Rest in peace in Gods loving arms.

“ I wanted to express my deepest sympathies over your loss. Please know that this is not how our loving God intended our life, here on earth to be. During this trying time please draw comfort from our heavenly father’s promise to, in the very near future, make “death no more” and also bring back our loved ones that have already “fallen asleep” (2Cor 1:3,4 Rev 21:3,4 & John 5:28,29). Again, please accept my condolences.
