“Kathy was the first Cam-Fam I met after Doug, of course. Doug hung around with Kathy and Dale and so did I. Kathy quickly became one of my besties. She was like an older sister and being the oldest child in my family, an older sister was great! We loved to go for rides with Kathy and Dale. They taught me all about “Dragging Town on Friday nights.” You know, getting on south Main Street, riding down to Zestos and turning around in their parking lot to head back to the other end of town to start all over again. Of course, windows were down so we could communicate with other car loads of people dragging town. Then Friday was over and we had to wait a week to do it all over again. What a life for a teenager! So Kathy, thank you for the fun times that we shared. I love you dearly, my older sister!❤️
