“ I met Kevin when I transported him from NE hospital. I took him to Autumn Care in Salisbury. He was a ladies man for sure. When we arrived there were several beautiful women waiting for him. I continued to run into him at dialysis. We always stopped and talked with each other. He was always upbeat about everything. I will surely miss Kevin.

“ So sad to hear of KD's passing. Although I hadn't spoken with Kevin in many years, we became close friends in the band at E Rowan. I specifically remember a band trip to Disney in Fla. We had such a blast.

He was a great guy and a good friend.

See ya buddy.

“ Thank you for each and every memory. Countless cookouts, riding on the Harley, riding on the boat, and even the time I tried to take your beverage while you washed your car when I was barely 4yrs old. Rest well uncle.

“ I so vividly remember us playing on the beach when we were kids on weekends & vacations at the beach before we moved there for good!! Digging "fox holes". Swimming in the water, collecting sharks teeth,, fishing & working at Paradise Pier. After my moving closer to you, seeing you at Richards Bar-B-Que while in town to see the doctor. This past March 6th will always stand out in my mind, having lunch with you & Paul. I will miss you the rest of my life,, & I pray that one day I will see you in our Lord Jesus house!!! Take care,, until then,, I love you cuz!!!!
