“*Kim, I never imagined my life without you in it. We were suppose to go to the nursing home together. I'm so privileged to have called you my best friend. My heart is broken. I promise to help look after Karlie because I know that's what you would want me to do. I'm going to miss you so much! I love you. You will always be in my heart. When you see Mike, give him a big hug for me.*”
