“ *To The Carden Family,*

*Words cannot express the sorrow we all feel now that Mr. Carden has left this world.*

*Anytime I was around him, he always had a smile and shared that smile with me. Watching him walk Laura down the aisle on her Wedding Day is an image that will forever be embedded in my heart. A wonderful man was lost on Saturday and he will forever be missed. I love you all very much and will be here if you need anything at all.*

“ *It breaks my heart to read the news. I remember spending time with Laura, my dad and your family. Although those times have passed, I have always cherished them in my heart. From all the laughs and stories, your family meant a lot to the growth of the adult I am today. Much love, Taylor Draper*

“ *Judy and children ,  
I am so sorry to hear of Larry's death . We were all sending up prayers to our heavenly Father for his will to be done but he must have thought it was time for Larry to meet his Master face to face ! I know that was a wonderful meeting since Larry knew him as his personal Savior !  
Judy I know that you will miss Larry greatly but we know he is at peace and has no more health problems to deal with . Just lean on us for support because a lot of us have experienced this before .  
I will not be able to be at Larry's funeral as Chuck has to meet with his kidney doctor at that same time and we can not change the time or date .  
I will see you at Church.  
Love and my prayers are with you .
