“ *judy, i just found out tonight (thursday) that larry passed. it was late and i did not have enough time to get to the service. i just want you to know that you and larry were great neighbors to me. he always smiled and waved at me. you two were the ONLY neighbors that welcomed me into the neighborhood. i know how it feels to loose an husband, my heart goes out to you. all you can do is allow god to be close to you and pray. he will give you the comfort you need. he says he will never leave or forsake us. please call me anytime day or night. maybe sometime if you want to we will ride down to the beach and just talk. you will be in my prayers. trisha jones*##imported-begin##trisha jones##imported-end##
