“ Got my first fishing citation with Sonny. Sonny was a good guy with a great personality. When his Mother was in declining health she just so happen to be roommates with my Grandmother. I remember Sonny coaching me in softball when I was much older, had he not been at 3rd base (rooting me on) I would have planted my face in the dirt. Sonny was one tuff son of gun. Sonny it was a pleasure knowing you and I'll see you on the other side!
