“ My condolences to the family of Judy/Lila Cook. May your memories help comfort you at this sad time. Lila and I shared the same wonderful grandson, Kristopher "Kris" Jackson. Kris loved his grandmother very much and will miss her. I am sorry to see his name was omitted from the obituary. He enjoyed spending hours with his grandfather Cook helping fix up his grandmother's yard and home after she purchased it. Kris has took a lot of pride in keeping up the jeep his grandfather previously owned and gave him to drive after he got his license. He has recently been working on the truck he purchased from his grandparents in hopes of restoring it to drive if feasible. It has sentimental value to him since the truck belonged to his grandparents and he would like to get it running once again.
