“ *Much love and many prayers to your family in the loss of Lillian. I will always cherish the fond memories that my family has of yours...the many 'fish camp' escapades, the vacations, the Sunday night after church family visits, etc. Lillian was a special lady, an angel on earth, and now Heaven will be more richly blessed!*

“ *I spent many days and nights in the Harmon household growing up since Pat and I were best friends. Lillian was like a second mom to me and I felt the same about her. I have many fond memories of her good cooking and wonderful spirit. The last time I saw her she was sitting at her kitchen table snapping green beans and putting them in a bag to share with my mom. I will always remember her with a smile on her face and a kind word. I loved her very much and she will be missed by many. God bless her family.*
