“ Libby(Lizard, Ellen)& family,

I am sorry for your loss. You all have been in my thoughts and prayers. Mrs. Chilton will always be an influential memory of my childhood. She fixed those homemade pancakes and wonderful gingerbread cookies when I would have a sleepover with Libby. I always enjoyed talking to Ottie and still remember him saying "Libby" & "Pretty Girl", I remember the first sleepover and how I cried and when we went trick or treating and received shopping bags full of candy. It was your mom who allowed me to be a part of it all. I want you all to know that I love you and think of you often. I always look at the house every time I drive by. Thanks for being a part of my life. Mrs. Chilton, rest in peace! May God comfort each one of you.

“ To the family of my dear friend, Lily,

I have thought of Lily often. She has always been in my prayers, even though she was near yet so far away. Lily was a good friend and neighbor. We had so many good times and visits together. We watched our children grow into fine and successful adults. May you rest in peace my friend.
