“ Dear Jones Family, Dr. Wilson is my Cardologist and knew you mother thru visiting Dr. Wilson. She was always so friendly, helpful and happy and always so positive. I am so sorry this monster appeared in your mother's life again. I send you my deepest sympathy.

Some of you may be distantly related to me. My grandmother, Emma Clawson Wyatt was married to my grandmother Jefferson Wyatt. The Clawson and Wyatt names caught my attention in the obituary.

“ Seven years ago, I walked in to meet my new cardiologist and was met by Linda Smith. She was very gracious and welcoming. Since that time, I have been back two or three times a year and have always enjoyed visiting with her. Wednesday, she was not there. I will certainly miss her. My thoughts and prayers go out to her family.

“ Al and Shemiah, I am so sorry to hear about Linda’s passing. She was always so nice when I took my Dad or spouse into the office where Linda worked and I had the pleasure of caring for Linda at night during here recent stay at Autumn Care. I will forever treasure our talks at night and how lovingly she spoke of her family. She was a great lady and will be missed. Prayers for peace and comfort during this most difficult time.
