“ Linda was a kind and loving person. Though the years, I would run into her out somewhere and we talked and caught each other up on what was happening in our lives. I saw her about 5 yrs. ago and we hugged and said how good it was to see each other, May God be with Allison and her family during this sad time and I am sure Linda is in a beautiful resting place with the Lord. RIP, Linda!

“ *Linda and I were friends from birth. We grew up in Cooleemee Presbyterian Church together, went to summer camps together, played together, started school together and graduated high school together. She was such a gentle but witty girl. All the things we learned and talked about in our young lives, she is now enjoying! Linda, you got to Heaven first but I will be joining you some day! Thanks for all the memories!*

“ *I worked with Linda for 9 years and she was a very special person to so many at Cardinal Float Glass in Mooresville. She was a hard worker and not a complainer even though at times I'm sure she was worried about the future and her potential medical struggle. Even through this, she was glad to share a smile. Many lives are better because of knowing her and her often quiet greatness. Our thoughts and prayers are with the family and her friends during this difficult time. Greg Hensley (Cardinal FG)*

“ Linda, my 'across-the-hall' neighbor of 24 yrs., was a sweet and kind lady with a witty sense of humor. She always tried to see the good in people rather than speak unkindly of them. I loved her and will truly miss her daily.

Thoughts and prayers for you Allison, Gary, Marlene, Taylor, Emily, Brad and the rest of the family during this most difficult time. May your cherished memories offer comfort to you now and in the days, weeks, and years ahead. You were genuinely loved by her.

With much Love,
Kathy
