“ I could always count on Linda to be in my classes and everyone knew her spot in there. She was always kind and funny. I spoke with her the week before this and I will always be grateful for our conversation. Rest well Linda.

“ I have known Linda and Rebecca for a long, long time. Rebecca, please know that I love you with all my heart and I am here for you if you need anything. Always remember she is in a much better place now... no pain, no worries!! It is so hard to let go... I find myself fighting the tears of missing Momma alot. I know I will NEVER get over it but I know that both her and Dad will forever be in my heart, just as your Mom will forever be with you!! May God grant you the peace that only he can give. Love you.
