“ *Some of my warmest childhood memories are those long wonderful summers spent at Forest Dale Pool. And even years later when by chance I would run into Lisa, I felt as though the years would pass away and conversation picked up easily just where we left off as if nothing had changed. I send my deepest sympathy to the Brandt and Martin families and will always cherish the memories of those long ago summer days.*

“ *Patsy, Susan, Michael - I want all of you to know how heart broken I am at the passing of Lisa! Frank and all of you were so special to me and I will always remember the times we stayed close to each other at the beach! I won't be able to make it to the service due to just having eye surgery this week, but please know that you all are in my thoughts and prayers. God grant you peace in this time of grief.*
