“ I was thinking of your parents this morning she was one of my mothers Jenny Basingers best friends. She was a beautiful loving lady , wife and mother. She will always be remembered for the love and kindness she showed everyone. I'd give anything to turn back time and see her and my mom together and hug both of them. They are in heaven together. I didn't know y'all had a brother that had passed before your parents. All my love, Janeane
