“ *We have to lay him down to rest  
And though we know it is for the best...It is so hard to let him go  
We all love him so  
We feel surely our hearts will break...almost more than we feel we can take...so let our minds wander back to the good times we have shared and know that he knew how much we all cared...keep those memories close never let them depart...Lonnie will always live in our heart...Love Doris##imported-begin##Doris James Dixon##imported-end##*
