“ *Lorene I sure am going to miss you, we sure did a lot of talking over the years, it doesn't seem all that long ago when Phil and I lived in Salisbury and we would get together once or twice a month and fix a big meal and let our children have a ball playing. But you and I was close growing up I remember us skipping school and catching the bus to town and going to the movies we went to see brigadoom. I will try and keep up with Robbin and Josh, My heart and prayers goes out to them ,Lois ,Tim and Cliff. So Long for Now Cuz I will meet you on the other side.*
