“ Even though I didn't get to see her as much as I should have, she was a great Aunt to have around. She always gave encouragement to me and always helped cheer me up. I always loved her and still do. She will be missed but God needed her to come home. What a great thing to know that when you believe and trust in the Lord Jesus Christ as your Lord and Savior you have eternal life with him and no more suffering. I Love you Aunt Louise!!! “ Hi my name is Kayla and I am a local bible teacher. I am so sorry for the loss of your loved one. There is a very comforting scripture at Isaiah 25:8. It says that soon Jehovah will swallow up death forever and that he will wipe away all of the tears. So we can all look forward to a time when death will be no more. I hope that this scripture can bring some true comfort during these difficult times.
