“ To all of the Davis family, we are all very sad that mom is gone. She suffered terribly for about two weeks before she passed, but she tried to stay as positive as she could. She loved all of her family. She had only good to say about all of you. All she really wanted is for us to be close so that in her words...we will all be together again some day. I love you, as did she.##imported-begin##Anne Webb##imported-end##
