“ Lynn was a classmate and longtime friend. She was always very nice and helpful to anyone. We had mutual friends, John & Virginia Burns, who used to live on Mitchell Avenue across from her parents/family. It's sad that she had such serious health problems, but through it all she fought hard. The love of her family meant everything to Lynn. May memories of happy times bring you comfort. ❤️ R.I.P. Lynn

“ Lynn was one of the most beautiful women I had ever met. She was beautiful on the outside, but she was also beautiful on the inside. She had three wonderful children and I'm so thankful for the time that she was in my life. We had not seen each other for a while, but I was able to meet up with her 2 daughters a year ago. I pray the Lord will give them a peace that surpasses all understanding and I know she's walking with the Lord right now. God bless to the family. We love you always Sandy and Jimmy Moon.

“ She was one of the sweetest and kindest people I knew. She was always interested in what YOU were doing and up to. Although I only knew her a few years and most of that time with severe medical issues, I NEVER heard her complain. And she fought very hard to do everything to improve her health situation. She was truly an inspiration to me.

Ogene and Martha Bennett Lynn was the nicest person ever! We enjoyed seeing her when she would come to the lake. She loved the lake and it made her sad when she couldn't get in the water and float on the float. She fought a good fight and never complained. We will miss her dearly!
