“ Carolyn could never have given me a better brother-in-law. I always felt like you loved me just like my birth brothers. I will miss you so much.

I will always cherish seeing (or hearing about) the special relationship you had with our mom after she retired. You guys just simply had fun together!

Thank you Mac for all the good grilled foods, your warm welcomes, sharing your kids with all of us and the many memories over the years.

“ Mac and Carolyn have always been so special to me. I began my career with Lowe's Foods in 2005 and their friendship both professionally and personally have meant so much to me throughout the years. They were always the first faces I looked for at each Grand Opening and Mac always made sure I had a hard candy several times throughout the day. I appreciate the friendship he showed and shared with me throughout the years. Thoughts and prayers to the entire family. Paula Dellinger
