

Makinzy Jordan Smith

December 21, 1995 - October 17, 2013

Makinzy Jordan Smith, 17, of Woodleaf, NC passed away Thursday, October 17, 2013.

Born December 21, 1995 in Rowan County, Makinzy was the son of Amy Phillips Flannery and Lonnie Raye Smith.

Makinzy was Junior at West Rowan High School in Mt. Ulla and had aspirations of becoming a video game designer. Makinzy was a wonderful person to have in your life. He was passionate in what he believed in. He had strong beliefs in God, family and friends. Makinzy was the type of young man that people loved to be around. He was full of life and always had a smile on his face. He was an angel placed on this earth if only for a little while. Makinzy gave his heart to the lord and I know he is in a better place. He loved unconditionally as he was loved unconditionally in return. He loved school and all of his friends so very much. Go with God Master Guan Yu and take your place with your forefathers. Till we meet again my sweet angel. Mommy loves you!

Those left to cherish his memory are his mother, Amy Flannery; brother, Christopher Smith; grandparents, Gary Phillips Sr. and Brenda Phillips; great-grandmother, Dorothy Wilkerson; father, Lonnie Smith; and sister, Brittany Smith.

Visitation will be held from 4-6PM Saturday, October 19 at Summersett Funeral Home. Funeral service will begin at 6PM on Saturday in the Summersett Memorial Chapel with Rev. Jim Howard officiating.

Summersett Funeral Home is serving the Smith family. Memorial tributes and online condolences for Makinzy and family may be left at www.summersettfuneralhome.com.

“ *Makinzy sat in front of me in creative writing. He was so funny and so good at everything he did. he was my friend only days after i moved to that school. he was an amazing friend. My last day was the day after being told he was gone. it crushed me and i couldnt stop staring at his chair just thinking that it couldnt be real, or that i would see him tomorrow. i still cry, whenever i see his name, i just remember that hes not here anymore.*

I miss you makinzy.

“ To the Smith family, the Hicks family express their condolences. Death is something that we will never get use to because our creator put eternity into our hearts to live forever. When Jehovah created Adam and Eve they were to produce perfect children living forever in a paradise earth, without sickness, old age, or death. Sin passed on from Adam have given us an incurable disease called death. We as children pain when we have to bury a parent, the pain is ten times worse when a parent have to bury one of their children. We have great expectations for them growing up getting married, having a family of their own, and living a very productive life. May Jehovah comfort this family with his word the Bible at 2Corinthians the first chapter verses three and four

“ Kinzy; you truly were an amazing guy. You were a great friend, always smiling, making others smile, always out going and full of life. You were such a big inspiration in my life, and you helped me through a ton the passed month or so. God has gained a bright, young, loving angel. I've decided I am going back to west. Spring of 2015 I will be walking across that stage and hoping your by my side. I love you & I'm going to miss you so much but, I will see you again.
