“ We never had the pleasure of meeting Mrs Wansley, but saw many photos of her laughing with Monica and enjoying company who came to visit her. It was very obvious she lived a full and happy life with her family nearby. We are thinking of you during this time and sending love down from DC.

“ *I pray for a special courage, peace and love for your family and you. It's not easy to cope with the loss of a mother. A mother who had a special place in your heart and having to make a new start without her in life. Please stay strong. May her soul rest in peace.*
