Margaret was born in Salisbury to Lola Carter Whirlow and Julius Carr Whirlow on April 14, 1935. She attended school in Rowan County and graduated from Granite Quarry High School in 1953.

After high school, Margaret shared her love of children working as secretary for A.T.

including Sunday School Teacher, building committee member, and Deacon.

Later in life Margaret joined her husband, Bobby, in the family business, Main Drug Company. There she enjoyed working along side her husband and family while serving as a member of the Women's Drug Auxiliary. Margaret and Bobby retired from their family business in 1992.

Margaret enjoyed traveling, spending time with her family, and sharing many treasured moments with special friends.
