“ I have a lot of memories of Marie since our elementary school days. Since we shared the exact same birthday, we used to tease each other with the claim that one or the other of us was older by minutes. this continued through high school and even as we went out separate ways after graduation, i always thought of her on our birthday every year and I will continue to do so. The last time i saw her was at our 40th high school reunion and she seemed so very happy. She was a very sweet person and will be missed. RIP my friend. You will be forever young in my heart.

“ Marie, your light shone brightly in this world, your beauty was beyond measure. You were my sister. We went through the ebbs and flows of life together. We shared in life's lighthearted adventures. We prayed together every time life threw a curve ball, we celebrated life's happy times;. God brought Terry into your life and he and your whole family has been such a great witness of Christianity to all of us and to you through your affliction. You are an angel now. Watch over all with love! Love you into eternity Marie! Till we meet again.....
