“ Dear Susan and family, I was saddened to hear that your mother passed away. Although this note is a little late our thoughts and prayers have been with your family and continue to be so. I have many fond memories of the times we spent with your mother in N.C. and up north. We always had fun sharing old memories and making new ones. When I saw Marion's photos on the web site I was reminded of my mother and the good times they shared. I lost your email address when we changed providers and couldn't find your phone no. So our new email is [mjferrycambria@gmail.com](mailto:mjferrycambria@gmail.com). Sorry about that, Love, Margie and family
