“ So sorry to hear the news about a lady that was like a second mother to me. I often think of those delicious meals she would prepare for all the “ gang” that practically lived at her house. My condolences to Benny and the family. I loved her and Ben and look forward to seeing her on the other side.

“ I am so sorry for your loss Benny. I am thankful for the special moment that your mother spent with my daughter that created such a friendship that has lasted many yrs. As a teenager, Maddy thought of and spoke of your mother often and enjoyed going to visit with her and taking her cards, just to put a smile on her face. Whatever Ms. Garvin said to that young girl made an impact on her and she loved your mother, her friend, Marjorie Garvin. My prayers will be with you during this time of loss.

“ So sorry for your loss Benny. You know how much Robert and I loved Ben and Margie. They were such wonderful people. I will always remember Margie telling me how she and Ben made up the bed every morning while they sang *This is the Day the Lord Has Made*. Now they can sing together once again!! I'm sure Ben and Robert were right at the gates welcoming Margie in!! God bless you and give you peace.
