“ Mark has to be one of the most fascinating people I have ever met. I was privileged to bring him Holy Communion and spend time with him. I lost track of him when he moved to the VA but still thought of him. Just seeing this. RIP.

“ They told me, they told me you were dead.
They brought me bitter news to hear, and bitter tears to shed.
I wept when I remembered how often you and I
Had tired the sun with talking, and sent him down the sky.

Eternal peace, my friend.
