“ Dear Jackie, Steven and family, I can't seem to find the words to express how badly I feel for you loss, and mine. I first met Mark when he was working for Federal Bronze Castings, before he came to work for Imo, and we've been friends ever since. We traveled a lot together to various foundries and shops and I'll always remember the experiences we shared, and how he called my name, "Robert", whenever we met or on the phone. His memory, and that name will be with me throughout my life.
God Bless you guy's,
Bob/Robert

“ I was taking Mark around on his recruiting visit at FSU. I knew his brother Scott from my freshman year. I had planned a great night out which was easy because women out numbered men 7 to 1. When I picked him up I said what do you want to do. He replied I won't to see The Godfather movie so we did. The gentle giant was a great friend me and my wife will miss him, Billy Mac

“ *We are devastated for the loss of Mark. He was a gentle giant that was larger than life itself. What a great man!! We will miss him so much!! We remember all the times with our children, camping and celebrating the good times, with pigs being cooked in the back yard, and other memories too many to tell. He is with Katie now, which is what we believed he wanted.*

“ *I'm so sorry to hear of Marks passing, our prayers are with the family. Mark visited the plant 2 to 3 times a year for 25 plus years, so he wasn't just a salesman, he was a friend. Always smiling, telling a story, talking about Jackie or the kids and grandkids. I will miss him and pray that God comforts the family.*

“ I remember Mark best as my little boy cousin who we used to tease and "knock around" until he grew so big that we did not mess with him. Although he was big as an adult, Mark was a gentle giant who loved his family dearly.

Mom (Aunt Alta) used to make him special mittens for winter because his hands were so large.

Although I did not see Mark and his family very much due to where we live, I enjoyed the few times we got to spend with him throughout the years.

He will be greatly missed by all who knew him.

Our deepest sympathy to Jackie, Steven and family. God bless.
