“ I miss you so much mawmaw.. I will never get over you being gone. You were my mother, you raised and nurtured me to be the woman I am today..it gets harder with time I often find myself trying to remember what you looked and smelt like...the thing that kills me most is I'm having a hard time remembering what your voice sounds like and I'd rather loose hearing for the rest of my life than ever forget what your voice sounds like. Please watch over me and help me mawmaw cause I don't want to continue life without you or pawpaw..when y'all passed I lost the most important pieces of my heart..please watch over me and never let me forget y'all are there..❤️ Love ALWAYS, Stephanie Ann 🖤
