“ Martha I want to thank you for all the memories I have of when we were kids growing up, we were very close, I recall all the fun times we had Grandma's pretty much every Sunday when we were kids, all the things we got into, I cherish those times we were kids together, I remember all the fun we had together when my mom kept all of you while your mom worked and we got to play together all day, you were my favorite cousin when we were growing up. Thanks for all those wonderful memries you left me. I am now waiting for the time when we will meet again in that Celestial Land in the sky. Thank you so much. From your favorite cousin, Larry Shaver I will miss you.
