“ To Leisha and family, I was shocked to read of bobbys passing, I had not seen him for three years, I had hoped to get in touch with him since my moving closer to Greensboro. I'll miss him, I have many memories of Bobby and his family while growing up in Bessemer and afterwards, no matter where we lived or were stationed we seemed to always get together. I'll really miss him but I'll never forget him or his family.
