“ Mary Ann was unique! I had the pleasure of working with her at MMG and Levine Infusion Center. She was extremely knowledgeable knowing the different meds we gave, and even more knowledgeable working with different personalities. She would find a common thread with anyone and everyone and have a conversation that would leave them feeling good! Not to mention she knew so many people that she was a wonderful resource if you needed to know where to go for anything. She gave me info on where to get my haircut, a dog groomer and really great places to eat. Mary Ann will be missed...rest in peace Mary Ann. God Bless and wrap his loving arms around your family.

“ *Lynn, Susan and family,*

*I was so shocked and sad to hear of "Clarabelle's" passing. I always called her that because she was such a clean freak! I loved her so! She could tell a joke better than anyone, and had the greatest, infectious laugh! I came to know her as a co-worker with the Sands family. My sincerest prayers for peace, comfort and love in the hard days ahead.*

*She was wonderful!

“ I Miss You Already Mary Ann. I enjoyed working with Mary Ann at Tryon Medical Partners. From the beginning she was so loving and caring. Mary Ann was one of a kind and very special to the Tryon Medical Partners Live Answer, Family. She was the sweetest, most stylish and the loudest lol. She was known as "Granny" and was and still is well respected. She always came to my desk to ask, "what "WE" ordering for lunch?" I'm going to miss Granny and I'll be praying God wrap His loving arms around her family during this tough time. Love Always, Precious Smith.

“ I had the pleasure of knowing Mary Ann when I became part of the Tryon Medical Partners Live Answer Team. Mary Ann was funny had a very outgoing, personality and made me feel welcomed from the start. Mary Ann was not only a wonderful coworker, but a friend who was great to talk and displayed a general interest and concern for you as an individual. I enjoyed several after work gatherings with her and coworkers and had looked forward to planning our next one. Sadly we never got the chance, but I know that she is with the Lord and in knowing that brings me great comfort in this time of loss.

“Gosh, what can I say about my friend "M. A.?" I remember when she found me the downstairs efficiency of her uncle Tommy's in North Myrtle Beach. We fast became not just co-workers at Sands but also good friends. I remember helping her move from the beach to Cary, NC. Sorry we lost touch in the years after, but I always have great memories of working alongside my friend Mary Ann. My condolences to Lynn and Susan and all the family. I hope to see you later this week in North Carolina.
