“ *Mary Ann was one of the kindest women that I have known and I know she truly loved the Lord and loved her family so much! If anyone can get into heaven, it will be her! She is now on the upside waiting on us to join her in the glorious ever after. The bonds of Love she had in this life are not broken and true love and love for her family continues forever. Love and memories are the things that remain and carry on forever in our souls. I wish I could take the sorrow away. My heart breaks for you all. She was such a wonderful mother and grandmother!! She will be missed!!!*

“ *Many things in this life can be taken from us, both material and passion. But there are two things that nobody can ever take from you. Nobody can ever erase the cherished memories you hold close to your heart; and nobody can take away your salvation and the eternal hope of no more pain or sorrow, and no more separation from those we love. We will see you again one day MaryAnn. This world will never be the same without you in it.*
