“*Mrs. Edmundson was the best English teacher that I ever had, she was always helpful when you needed something explained. She taught English at West Rowan High School in 1964 and 1965 when I was there.*

“*Miss Edmundson was my 11th grade English teacher at West Rowan High School. I remember her fondly as a wonderful, sweet, and patient lady. She was an encourager and motivator who had a passion for teaching correct English to her students. Students respected her. My favorite lessons involved diagraming sentences. I saw these lessons as puzzles, creating the right picture for each sentence. Miss Edmundson will forever be one of my favorite teachers. Heaven has another angel!*

Her students loved and respected her. She was an important part of the strength of our faculty. I cherish the fond memories that I have of the 10 years we worked together at West Rowan High School. Our community is a better place because of her. Henry Kluttz*
