“ *Lib was a great friend of my grandparents! I remember as a child she and Burgess playing cards with them, or eating fish. A great lady, who is once again reunited with my grandmother, but most of all her love "Burgess". I know they are all smiling in Heaven and catching up on the past years! My deepest sympathy is with her family at this difficult time.*

“ *Lib was a wonderful lady and full of praise and spirit each time I visited with her. She always had a story to tell and I loved to hear her laugh and to see her smile. I will certainly miss seeing her when I go to Trinity Oaks to see my dad, Maurice Staley. Dad sat outside with Lib many afternoons and evenings and liked to share their life stories, trials and memories. He will truly miss his good friend. Lib, no more worrying is necessary; only laughter and love!*

Love from Maurice Staley, Carol Stamper and Cheryl Feeney
