“ *Betty and family,
I can't imagine the pain and grief you are enduring. I found this
poem when Charles' son died and hope you can find some comfort
in it.*

*So go and run free with the angels
Dance around the golden clouds
For the lord has chosen you to be with him
And we should feel nothing but proud
Although he has taken you from us
And our pain a lifetime will last
Your memory will never escape us
But make us glad for the time we did have
Your face will always be hidden
Deep inside our hearts
Each precious moment you gave us
Shall never, ever depart
So go and run free with the angels
As they sing so tenderly
And please be sure to tell them
To take good care of you for me*

“*Mary Ellen will always be one of my dearest friends no matter how far apart we may have lived. I was able to gain her friendship when she moved next door to me in Huntersville, NC. Instantly I loved her free spirit, energy and lovingness towards everything and everyone. She had a way of making you smile or feel like everything was going to be just fine. To the family she has left behind, my thoughts and prayers are forever with you. Thank you for allowing me into your home to celebrate Holidays when I had no family in NC and making me feel welcomed every time. My heart aches today as I reflect back on all the memories Mary Ellen and I have made together. I love you Mary Ellen and you will ALWAYS hold a special place in my heart that no one can ever replace!!*

“ I met Mary Ellen through our mutual friend, Shelly Smith, when I was living in Boone, NC and had the opportunity to spend time with her on several occasions over the years. Mary Ellen was one of those people who just lit up a room. She was warm and kind and I will never forget her sense of humor or contagious laugh. I was shocked and upset to hear she left us too soon but I am grateful to have known her. Your beautiful girl will be very missed. My thoughts and prayers are with you all at this time.
