“ Aunt Mary Katherine -

*What an amazingly beautiful woman... You have the charm of a sweet southern belle, the wit of a scholar, and the tenacity of a pit bull. I truly enjoyed the time I was able to spend with you, and learn from you. Thank you for teaching me a thing or two about being a better person. I will always remember you, and when i do, it will always bring a smile to my face...*

*Uncle Frank -*

*I hope you can find some peace... Just know that there's a whole mess of folks up here in Ohio that think the world of you. You are so loved and cherished by all of us. Thank you for making such an impact on our lives...*

“ Dear Dana & Family,  
My love & sympathy go out to you in your Mom's passing. Even though we don't get to see each other much anymore, except at our high school reunion, I cherish all of our childhood memories. Living just down the road from you was a special treat-riding bikes,going fishing, or just hanging out at each other's house. I have very vivid memories of your Mom , her hearty laughter, and her endless amazement at almost everything. She always had everything neat as a pin and always welcomed me into her home, no matter how often I came! I will always remember her for her hospitality & her "spunk"!

“ *I lit a Red candle in memory of Aunt Katie...because of her lipstick color. Every visit we had with her...she always made sure she had her red lipstick on her lips and asked me numerous times why I didn't wear lipstick! Makes me laugh and I am happy she is resting in peace with my dad right now...along with all the other loved ones we have lost. I love you Aunt Katie! You will truly be missed by me and my three daughters! You are an inspiration to all the women in the world! Uncle Frank...you hang in there-we love you so much!*
