“ My grandmother ,Estelle Guinn, lives across the street from Mary. As a child we would go to my grandmothers during the summer. At least once a week, I would look across the street and see Mary mowing her lawn in her bikini, rockin it. As I got older, years past and she was still rockin that bikini on the lawn mower. Every time I saw her, in my head I thought, I hope that's me one day, bold, tan, aging very gracefully and beautifully, and not a care in the world what anyone else was thinking or doing! It's really the small things in life we see people do that make such big impacts on who we become in life. Mary is and will always be a great woman that impacted my life, not by words but by her actions. Rest in peace Mary. Carla and Family, I'm very sorry for your loss our prayers are with you.
With deep sympathy,

“ Larry and family, please accept my sincere sympathy for you in your sorrow. It must be very hard being the youngest child in a large family. God bless.
