“ Matt,

You were and are the closest thing I will ever have as a brother. No matter what, you have always been there for me as I was you. You have been my only true friend for over 10 years and for that I will always love you. You were a wonderful father and your children loved you regardless the circumstances. I know your life didn't go quite as you planned it, but you made the best of what God chose for you. I will always love you and always remember that now there are clouds instead of oceans in between us, but thats not very far. I know you are watching over me, and will be with me everywhere I go. I am sorry I never told you how much you meant to me, but I hope you knew. Just know that not a day will go by without you in my thoughts. You will be missed tremendously. Rest peacefully my dear friend. Your pain and suffering is over. And for the "true" family, you will be in my prayers and my heart forever. My deepest sympathy goes out to you.##imported-begin##Liz Foster##imported-end##
