“ I used to spend summers with Grandma Wise and aunt till as a little girl playing with Phil wise at the farm. We had watermelon picking and was such fun being there. I have fond memories of the old home place.

“ We will truly miss Aunt Teal. She was a wonderful woman. Very loving and kind. Growing up I always enjoyed visiting her and her family each summer when I came up for a visit. I learned a lot from her about farming and canning. I love the things she could remember, like her beautiful poems. She touched so many lives . We love you very much, John and Teresa Godwin
