“ *I will never forget Melanie had just gotten her drivers license and back then the thing to do was to go hang out at the Salisbury Mall. At the time she was driving her Dads S10 truck and they were doing some work in the parking lot and Melanie drove over the cones and they flew up from the back of the truck and we just laughed and then she hit another and we laughed even harder. I will never forget the laughs that we had and the memories that we made. She was a beautiful person inside and out. She was not only my cousin she was my friend. She will be dearly missed. I will love you forever Melanie and miss you always.*
