

Meredith Lauren Moore

April 8, 1992 - May 8, 2021

Meredith Lauren Moore, 29, of Raleigh, passed away Saturday, May 8, 2021 at Wake County Medical Center.

Born April 8, 1992 in Salisbury, she was the daughter of Georgia Leonard Moore and William Carl Moore, III of Salisbury. She was a 2010 Honor Graduate of North Rowan High School and attended UNC Chapel Hill and Meredith College.

She was a member of Calvary Lutheran Church in Spencer.

Meredith was a ray of light and love anywhere she went. Her heart was bursting with love. She loved not only her family and friends, she loved life and the world and all the people in it. She was a lover of animals, particularly her cats, and she loved her nephews Brayton, Blake and Beckham like a second mother. She was a remarkably generous and selfless person who would do anything for the people she loved. She always supported her family and friends in everything, even when it wasn't easy. Anyone who knew her never had to be alone. Her laughter and smile would light up a whole room, and she was always a bright, cheerful, and comforting presence anywhere she could be found. She took life's hardships in stride and was always humble and grateful for everything she had, particularly all the love she was surrounded with by everyone in her life. Everyone in her life is a lighter, kinder, and more loving person for having known her, and her memory will be a ray of light in all their hearts forever.

Left to cherish her memory in addition to her parents are her brothers, Nathan

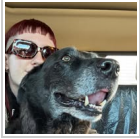

Moore (Rebecca) of Cleveland; Michael Moore of Salisbury; sister, Stephanie Moore (Lauren) of Philadelphia, PA; and nephews, Brayton Moore, Blake Moore and Beckham Moore.

Private services will be held at a later date.

Memorials may be made to Faithful Friends of Salisbury, P.O. Box 262, Salisbury, NC 28145-0262.

Summersett Funeral Home is serving the Moore family. Online condolences may be made at www.summersettfuneralhome.com.

“ Getting to know Meredith was an amazing experience. While it was only for a short time it was amazing. Learning about her and finally being able to meet her was such a wonderful time. My heart goes out to her family and friends.

“ Sending my deepest condolences to the Moore family in the passing of my sweet classmate. Meredith and I just like a lot of others have been in school together for all of elementary, middle and high school. I could bet that if all of our classmates took a vote she'd be voted as the sweetest and kindest person we've ever known. I will cherish knowing her and I'll never forget her sweet smile and signature laugh. I pray that God will comfort all of her family and friends and the lives that she touched. May the Lord be with you all in the coming days and years especially when it's most difficult to live without her.

“ To the Moore family and all of Meredith’s family and friends, I am so deeply sorry for your loss. Meredith and I were buddies back at St. John’s Kindergarten and I was saddened to hear of her passing. She was a bright light and I look back fondly on those early years, remembering our friendship that grew from a mutual love of reading. She was extraordinarily kind and genuine from a young age and she will be dearly missed. I will be keeping you all in my thoughts and prayers.

“ *Even though we had only gotten to know each other early this year I feel like you quickly became my friend and we clicked so fast. I'm happy to have Alexis in my life and that connection allowed me to form one with you. I'll always remember your birthday party and the one direction documentary, and learning about your great disdain for 247 degrees. That night will always be a cherished memory of mine and even though the time I knew you was short I will always remember that night and the brief moments we were able to hangout. We lost a bright light in this world that really can never be matched again.*

“ Meredith was a wonderful partner. There were so many plans that we had made that will never be experienced, but I cherish all of our times spent watching movies, playing songs on the jukebox at restaurants to make ourselves groove, and just staring into each other’s eyes.

I first met Meredith when she was in 6th grade. She rode my school bus. Her and Kayla Morgan had to always sit together. I dont think I EVER saw her without a smile. She was the sweetest and most genuine person you could ever meet! She also attended youth with my 2 children. Many prayers for her family and friends because she was truly a special young woman.
