“ *Michael was our neighbor and we loved him like family, in fact, to me they were like my second parents. I used to go over and visit with Mike and we would watch TV, eat snacks together and just chat about anything and everything. The world doesn't seem as bright but they needed another angel up above. He is gone but he will never be forgotten. Love you Mike! RIP until we meet again.*

“ *Michael was like an uncle for me. Always welcomed my visits and we would sit and watch the hallmark channel together. I was his L.A. Ray, which is what he called me. He was so kind and loving for the ten years that I knew him. Full of information when I asked for his opinion. Miss him terribly.*

“ I have know Mike just about my whole life. As a very young girl growing up in East Spencer then Spencer, I always had a mad crush on him. He was such a handsome young man. Back then, all the young girls had a crush on him. My husband Al Walser worked with him on the Railroad. Before he moved to the beach, He and JoeAnn lived across the cove from my brother Butch Julian. Mike will truly be missed. Our sincere sympathy goes out to his family. 🙏🙏❤️🙏🙏
