“ Rachel, Phil, and Bill, so sorry to hear about your losses. I thought the world of Harold and David. I have so many memories of Wolfpack football games with them. Also enjoyed visiting you and your family on Christmas Eve and Harold’s special shrimp. I also enjoyed working with Harold at Dominion. I would have been in touch sooner but I have been at Lexington Health Care rehab for one and a half years due to several physical handicaps. You and your family are in my thoughts and prayers. Love, Keith Corriher.

“ I have known David since the late 80s when we worked together. Always a kind person. He was also our FedEx delivery person and took great care and pride in his work. I visited him in the hospital on Christmas Eve. I will miss you my friend! I am happy for you that you are pain-free now and reunited with your father and sister. See you again one day. Keeping his daughters and mother and all of his family in my prayers.

“ *David was really the one that got me back into church. He used to drive the church van for North Main Baptist church. He picked up my kids before I started going myself. Sometimes he would take my kids along with his own kids to Sonic after church to get slushes and sometimes would take them to the park. I could always tell what a loving devoted father he was.*
