“ I worked with Mike for several years at PCI. Mike was a very fine professional and friend. For those of us that knew Mike, our world was better because of him. He will be greatly missed.

“ Rest in peace little brother. We made a lot of wonderful memories together when we were kids. Somehow I thought we would have more time together. I love you with all my heart and will hold onto those memories forever.
I love you Jennifer, Madison and Brooklyn. Michael was so proud of you all. His smile always showed that.
In love and light.
