“ I'm from Ohio but lived in Salisbury for 4 years. Mike was a good friend of mine and I think of him often

“ Mike, I will always remember the fun we had growing up together. Playing freeze tag and never being able to catch you because you ran so fast. You sitting on the side of Cartex pool shivering because the water was so cold. Going to the beach with your mom and my parents to pull the fishing net in and picking out the “treasures of the ocean”. Playing army with the little army men and knocking them over with marbles. Stomping in the mud puddle in my parents driveway and then having to sit in the living room in chairs and I think Libby and Larry were there too! Rolling down and sliding down the hill on cardboard on the hill at Sam's Car Wash. Going out to the country with your mom and Charles taking us to the creek wading, looking for crawfish and swinging on a vine landing in the creek. Not to mention Christmas Day when we all go together. Watching you be a dad to Caleb and Mimi. You were so proud of them.
